TIRES

4x4 & SUV Tires / ADVENTURE EXPLORING

XPLORA M/T

Federal's all-new **Xplora M/T** dominates all terrain, pushing you through gravel trails and muddy bogs with ferocious looks, exceptional traction, safety, and tranquility.

Wild, hook-shaped tread design provides increased driving force while eliminating tire block deformation for elevated off-road grip.

Staggered shoulder blocks not only deliver even more ferocious looks but also expel sludge and snow effectively for maximum off-road traction.

Next-gen, high-tensile compounds lead to comprehensive resistance against cracks and fatigue, cuts and chips, and rubber deterioration and aging for improved safety and durability.

Tie bar, multi-pitch tread designs, plus randomized tread block size and shape contribute to a quieter drive.
